

Think it's easy becoming a  
**generic drug**  
in America?  
**Think again.**

FDA ensures that your generic drug is safe and effective. All generic drugs are put through a rigorous, multi-step approval process. From quality and performance to manufacturing and labeling, everything must meet FDA's high standards. We make it tough to become a generic drug in America so it's easy for you to feel confident.

Visit [www.fda.gov/cder/](http://www.fda.gov/cder/) or call 1-888-INFO-FDA to learn more.

**Generic Drugs: Safe. Effective. FDA Approved.**
